FOB-10B Project Team

Vernon Moore
Philomena Woolridge
Judy Reavis
Aimee Johnson
Joe Stuart
Clay Deaton

CONGRATULATIONS!
GREAT JOB!

Dennis Follet, ASU-360, Contracting Officer Retired on May 2. "Bye-Bye"! "Idios"! "Bon Voyage"!

Dennis no longer has to get up at 5:00 am in the morning, listen to the morning news, weather and traffic. No more battling with aggressive drivers, guessing what stop light has a camera and what day you'll receive a ticket in the mail. No more working 8 hour days. He is officially a

retiree. More GOLF! GOLF! GOLF! Dennis worked at 8 federal agencies/departments during his 32 years and 2 months federal service. Dennis worked with the Facility and Technology Services Branch, ASU-340. He served as Contracting Officer providing Acquisition

support to ANS-300, En Route Facilities Division. He celebrated with co-workers and friends before his departure. You'll be missed!

ASU Employee Recognition Awards At Bolling Air Force Base

Acquire Product Team

FOB-10B Project Team

Double Grammy!

La Tanya Proctor, Secretary for Information Technology, ASU-500 received an award for Business Excellence in supporting ASU-500 teams and special projects. La Tanya supported high-priority NexGen email replacement team with quick turn-around for preparing travel orders and vouchers

for detailees to the Tech Evaluation Team, and other team members to come to FAA Headquarters in a short period of time. Arrangements for temporary housing for the detailees were provided. La Tanya coordinated the Acquisition Reviews and analyzed input, corrected inconsistencies, prepared

final copies arranged for briefings. A very dedicated professional, with a can do attitude. La Tanya is also expecting a baby in August. You can't beat that! An Award and a baby.

Business Excellence

Gib Devey, Director, ASU-1 and Debbie Wilson, Deputy Director, ASU-2 welcomed the Penguin on Web Technology Day

The Integrated Computing Environment—Multi Architecture and Network “ICE-MAN” Team, ASU-530 sponsored a Web Technology Day on Wednesday, May 2nd in the Bessie Coleman Center. Dr. Daniel J. Mehan, CIO was the Keynote Speaker. The highlights were Web Technology, Security, and Disaster Recovery.

Acquisitions

Editor

Colleen Gutrick

***Mission:**

The Office of Acquisitions provides:

- leadership, direction, and guidance related to acquisition policy and is responsible for planning, monitoring, controlling, scheduling, and implementing the acquisition of material, equipment and services for the National Airspace System (NAS) and for interagency and international programs.
- contracting, quality assurance, and acquisition policy and guidance for agency programs.
- administrative and operational support for the FAA headquarters' employees through expertise on space management, administrative telecommunications, personal property, motor vehicles, and building management issues.
- leadership in corporate information technology and information management products and services.

What is Success?

To laugh often and much;

To win the respect of intelligent people and the affection of children;

To earn the appreciation of honest critics and endure the betrayal of false friends;

To appreciate beauty;

To find the best in others;

To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition;

To know even one life has breathed easier because you have lived;

THIS IS TO HAVE SUCCEEDED.

Ralph Waldo Emerson
